

## Pill Count and UDS Scheduled Days

- Prior to Day of Pill Counts
  - MA identifies patients in need of pill count. MA calls patient and alerts that they need to come in.
    - List is given to pharmacy
    - MA pulls PMP if due
- Day of procedure:
  - 8-9 am: MA Calls patient to come in that day. Pharmacist and MA available from 9-6 that day for patients to return
    - Develop Script
      - Terms of contract
      - Must be brought in original pharmacy packaging
    - If patient is not able to be reached after 3 attempts, this is documented in the chart and sent to the provider and/or Chief of Quality
  - 9-6pm: Patients check in at front desk.
    - Brought back to an exam room, where a pharmacist resident and/or student will count pills and document prescription fill
