Recovery Ready Community

**RECOVERY SUPPORT**
Access to supportive environments and the many pathways to enhance recovery for both individuals and communities

**PREVENTION**
Utilization of evidence-based prevention and early intervention strategies to ensure youth and the public understand the dangers of substance use and where to find help if struggling

**TREATMENT**
Equitable and affordable access to evidence-based treatment as indicated for the individual, not the masses

**HARM REDUCTION**
Increased and open access to harm reduction services like syringe access programs, safe consumption facilities and “standing orders” for naloxone training and access to the drug

**JUDICIAL/LAW ENFORCEMENT**
Sustaining programs like problem-solving courts, law enforcement-assisted diversion, jail-based SUD treatment, and oversight to ensure best-practice adherence

**HOUSING**
Increased opportunities to meet the need for supportive, safe and accountable housing for those entering recovery and sustaining long-term recovery

**EDUCATION**
Ensure equitable and fair access to educational opportunities, including recovery high schools and collegiate recovery

**EMPLOYMENT**
Job-readiness training for those in recovery combined with opportunities to gain stable and gainful employment to further support those in recovery
